

## LEGAL PRACTICE AREAS

**Leighton Law** is dedicated to representing people who have suffered serious injuries or lost a loved one at the hands of others, including corporations, businesses, medical providers, violent criminals, product manufacturers, and airlines. Because we represent people who have suffered loss through no fault of their own, we recognize how important it is to make the law work for our clients.

We have achieved local, state and national recognition in several areas of Personal Injury Law, including:

- [Personal Injury](#)
- [Resort Torts™\\*](#)
- [Boating & Cruise Ship Accidents](#)
- [Aviation Accidents](#)
- [Crime Victim Rights -- Violent Crimes & Negligent Security](#)
- [Premises Liability, including Falls and Fractures](#)
- [Medical Malpractice](#)
- [Motor Vehicle Accidents](#)
- [Wrongful Death](#)
- [Catastrophic Injuries](#)
- [Nursing Home Abuse & Neglect](#)
- [Construction Accidents](#)
- [Defective Products](#)
- [Commercial Litigation](#)
- [Brain Injuries](#)
- [Insurance & Bad Faith Claims Practices](#)

For detailed descriptions of our practice areas and sample cases, visit [www.LeightonLaw.com](http://www.LeightonLaw.com).

**\*Resort Torts™** are instances of civil liability for negligent or intentional acts that arise out of a resort, vacation or recreational setting. They can involve hotel and motel safety, cruise ship litigation, pleasure boating and jet ski incidents, amusement and theme park liability, aquatic, diving and swimming incidents, foreign travel and medical emergencies, gaming and casinos, aviation (commercial and general), rental car liability, moped, bicycle and motorcycle safety, buses and tour guides, travel industry liability for crime victims, and medical care provided to vacationers.
